

MISE EN SITUATION

Cotton Swing Seat

£67.00

This hand woven cotton swing seat is perfect for indoor or outdoor use with extremely easy assembly and disassembly.

Made with natural cotton and recycled metal support frame, you can relax in superior comfort knowing your swing had been ethically and sustainably made and contains zero plastics.

The perfect addition to your garden, patio or even for use indoors, this hanging chair is perfect for a drink in the sun or relaxing with your favourite book.

Dimensions - 120cm tall and 90cm wide. Max weight - 120kg.

Situation

You are a sales advisor at a gift shop with a responsible and ethical approach and have to convince a potential customer who is hesitating to buy this kind of seat but wants to offer something original . Prepare your arguments focusing on :

- The quality
- The features
- The price
