Meet the latest BIOCERAMIC watch

BIG BOLD BIOCERAMIC (Ø 47.00)
TIGER POWER 2022 : £133.00

Introducing the **BIG BOLD BIOCERAMIC WHICE**, the resistant, resilient watch inspired by the snow-capped mountains of Switzerland. It's just perfect for all your adventures in the great outdoors. So do like Max Parrot: grab your snowboard and hit the mountains with your new watch to complete the look.

A recipe for innovation

What is BIOCERAMIC?

Take 1/3 bio-sourced plastic. Mix in 2/3 ceramic !
BIOCERAMIC offers you a lot more resistance and at the same time a silky soft touch. These watches feel every bit as good as they look.

It's time for good times !
