Medic

Fight leg aches & pains

**Price: £349.00**

Drug-Free

Clinically Proven

Certified Medical Device

Fight Leg Aches & Pains and Swelling | Drug-Free Relief from Persistent Foot/Leg Problems & Body Aches

**Product Description**

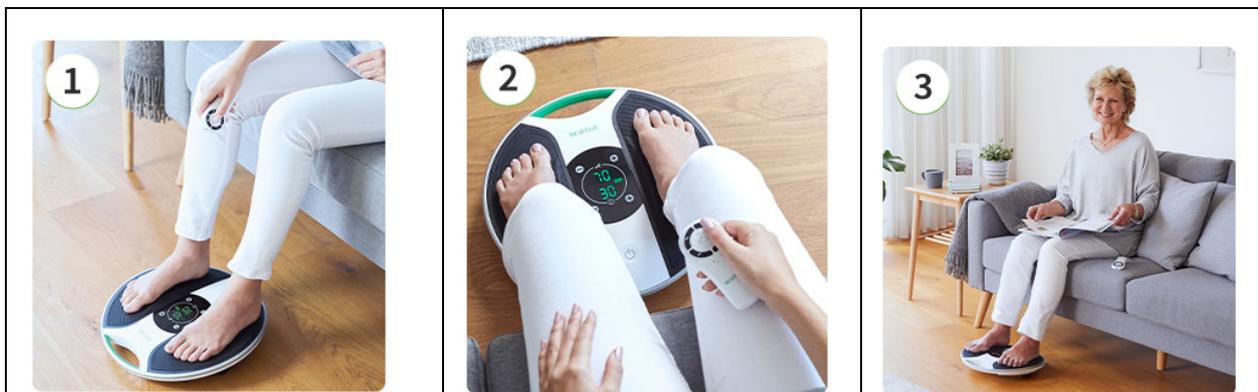

New Revitive Medic is a drug-free medical device which uses electrical muscle Stimulation (EMS) to increase Oxygen-rich blood flow and is clinically proven to increase circulation during use. Revitive helps to activate muscles in your legs and feet which could alleviate foot & leg pain - helping you to keep doing the things you love. Revitive is not suitable if you are: fitted with an electronic implanted device such as a heart pacemaker or AICD - being treated for, or have the symptoms of, an existing deep vein thrombosis (DVT) - pregnant.

**Box Contains**
