In July 2020, we announced that Coventry's City of Culture programme will start in May 2021 and run for 12 months, allowing us to keep our promise to the city and region - to deliver an extraordinary year while providing some much-needed certainty and resources to our artists and communities.

The Trust is looking to appoint a Commercial Manager (Maternity Cover) managed by the Chief Executive, to oversee the development and delivery of food and beverage and retail trading by the Trust and its sub-contracted partners.

This is your opportunity to be part of telling the story of the city that moves

GENERAL

We aim to reflect all the city's communities in our workforce and as such candidates from currently under-represented groups, including those with disabilities, are especially encouraged to apply. We are looking to build a team of people from a range of backgrounds and range of experiences. We can provide mentoring and training/support to less experienced candidates. Training and talent development within the Trust team and within the wider sector is central to our approach. All postholders are expected to participate in training and development activity and to contribute time and expertise to supporting our training programmes on site and occasionally off site. This list of responsibilities is not exhaustive and team members will be required to perform duties outside of this as operationally required.
